Case No. 17-cv-00755 CW

ORDER TO FILE STATUS REPORT

(Re: Dkt. Nos. 224, 225)

15 On October 3, 2022, the Court granted in part and denied in part Plaintiffs' motion for an
16 order holding Defendant Libre by Nexus, Inc. (LBN) in civil contempt and imposing civil
17 contempt sanctions on LBN. Docket Nos. 224. On the same date, the Court issued a separate
18 order delineating the civil contempt sanctions that it imposed on LBN. Docket No. 225. The
19 Court ordered LBN to pay, within ten business days, the amounts it owes under various terms of
20 the settlement agreement, and to provide Plaintiffs, within five business days, business records and
21 documents sufficient to show that it has implemented the various discounts and credits required
22 under the terms of the settlement agreement. *See id.* The Court imposed on LBN a fine of \$1,000
23 per day of continued noncompliance as to each of the subject matters regarding which the Court
24 separately ordered LBN to take certain actions. *See id.* Since the Court issued its October 3,
25 2022, orders, there have been no filings in this action by either side.
